

**ABSTRACT****An Ink Container**

- 5 An ink container 10 comprises a serial arrangement of three chambers 32, 34, 36. The ink container 10 defines an ink supply port 42, 56, 60 for each chamber 32, 34, 36. The ink supply port 60 of one chamber 32 is displaced from alignment with a porous member in the chamber 32.
